MIDWIFE	

Miraz's Word-Doku

A Word-Doku puzzle is a grid of six squares by six squares that can also be divided into six smaller grids of two squares by three squares. Fill in a letter from the word in each square according to the rules below. Several correct letters have already been entered for you.

- Each horizontal row contains each letter exactly once.
- Each vertical column contains each letter exactly once.
- Each smaller two-by-three grid contains each letter exactly once.
- The Word-Doku word will appear with the letters in the correct order only once. Note that the word may appear backward, and may be horizontal or vertical.
